**TERMS of USE**

1. Absolutely no tobacco is allowed in the building or on the grounds.
2. Fire regulations prohibit use of lighted candles or any other open flame.

3. Fire regulations require leaving an aisle in the center and an open aisle to all exits. Please be careful not to put chairs in the way of the door to the ramp. That area must remain as an aisle.
4. Never turn off or disable the stove venting hood; it is an important part of the Chapel's fire suppression system.
5. The counter and appliances should only be cleaned with a soft cloth or sponge. No abrasives of any kind may be used, most especially on the glass top of the stove. Warm water with or without a mild soap should do the trick. On stainless surfaces always wipe with the grain to avoid cross-grain scratching.
6. Leave the Chapel as you found it, chairs in order and broom clean. Do not stack the green ones.
7. Remove any trash you generate. There are recycling bins in the corner cabinet; you may leave cleanly rinsed recyclables in the bins.
8. If you use the coffee pots, leave them off, clean and unplugged.
9. Be sure the stove and both faucet knobs on triple sink are turned off.
10. Leave windows and doors closed and locked.
11. If heating is needed, return the thermostat to 55 degrees.
12. Nauset Fellowship is not responsible for items left in the Chapel.
13. If you plan to serve alcohol at your event, you must inform us at the time of reservation (for insurance purposes). You must comply with any relevant town regulations regarding licensing and qualified servers.
14. If you will be using the kitchen, someone from your group must meet with us before the event to review logistics and equipment use. If you are using a caterer, the caterer must meet with a representative of Nauset Fellowship before the event to review logistics and equipment use.
15. Rental does not include use of sound equipment belonging to either the Fellowship or the First Encounter Coffee House.
16. Please advertise your event as being held at "The Chapel in the Pines," not the First Encounter Coffee House, which is a separate organization.
